BootCamp- \$59 per Month / Includes Les Mills SPRINT

This is a Dynamic 45 minute workout combines Aerobic Exercise and Body Weight Resistance Training. It is a great way to Boost Aerobic Capacity, Raise Metabolic Rate, Lose Weight, and Break through Plateaus!

Special Forces- \$99 per Month / Includes BootCamp and SPRINT

Essentially Personal Training in a Group Setting, Special Forces is intended to work all Major Muscle Groups while teaching Proper Technique and giving Personal Attention to each exercise and participant. Strength Training is at the heart of any fitness goal, and is the focus of our Program.

Active Living- \$30 per Month.

Customized for our active older adults! Our fitness professionals combine aerobic, flexibility, and strength training in a positive, energizing environment. Exercises included are designed to increase flexibility, joint stability, balance, agility, muscular strength, core strength and cardiovascular endurance.

Stronger Living- \$49 per Month includes Active Living.

After the age of 40 we lose about 5% of our muscle mass per decade, this is the opportunity to reverse that effect. This workout is intended to maintain/increase muscle mass to maintain a healthy youthful appearance and lifestyle. Following along with our Special Forces program we will take you through all 5 phases of training with an emphasis on strength and power!
