YAC Aquatic Classes

Morning Exercise Classes

Stride & Strength: Monday & Wednesday 9:00-9:45am

A gentle, low-impact 45-minute water class using all water walking movements to achieve a mild cardio workout. Equipment is used for a short time to increase strength. A short abdominal strengthening and stretching section will balance out this workout. A good entry level class for the new exerciser, or the person who needs a low-impact workout.

Aqua Yoga/Stretch & Strength: Fridays 9:00-9:45am

Improve your balance, strength, and flexibility with this class that mixes cardio moves to stay warm with yoga moves and or stretching moves for a fully integrated strength, mobility, and balance improving class.

Swimnastics: Monday, Wednesday, Friday 9:50-10:35am

A 45-minute class combining low, moderate and high level exercises and equipment to improve your cardiovascular system, muscular strength, core stability and flexibility. The participant can modify the movements to his or her needs.

Aqua Power: Tuesday & Thursday 9:00-9:55am

Our most active and challenging water fitness class! This 55-minute class is geared toward participants with high level of fitness in mind. A longer, moderate to high intensity cardio session followed by a challenging abdominal and strength training routine. Come ready to work out! (Who said water class was easy?!?)

Gentle Aqua: Tuesday & Thursday 10:30-11:15am

This 45-minute class utilizes moves from Tai Chi, Yoga and Pilates as well as the Arthritis Foundation and provides a gentle workout utilizing the body's core and emphasizing range of motion and balance exercises. A brief cardiovascular training segment is included to the exercisers' tolerance. This class is designed to be low impact and suitable for all ages and abilities including those with recovering from illness or surgery, those with arthritis or other physical challenges.

Aqua Aerobics Saturday: Saturday morning 9:00-9:45am

An Instructor's Choice workout—come for a great variety of workouts in the water—but whichever class you get, you will get a great blend of cardiovascular and strength training. One of our more challenging classes, but appropriate for **all** fitness levels. A mixed format class, come ready to work out and have fun (& you have time to make it to BodyFlow after class)!

Evening Exercise Classes

Evening Water Aerobics Monday & Wednesday 6:00-6:45pm

Our evening fun, aggressive water workout using high and low impact exercises to challenge all levels of fitness. Cardio, abdominal, strength and stretching are all included. This is a total body workout! Appropriate for all fitness levels and modifiable for any participant - come get fit in the water!
