

Download Instructions

1. Point Camera at QR Code with your phone.
2. Choose “App Store” or “Google Play” depending on your phone’s operating system.
3. Download App (Icon will look like this) 
4. Click “log-in|Sign up”.
5. Click “Create Account”.
6. Select your primary club location
7. Scan your YAC/YACFitness keytag/barcode.
 - 7a. If you do not have access to scan your barcode, click the “check-in barcode”, a blue cursor and text box will appear. Manually type in the keytag/barcode number.
8. Enter name, email, create password, read terms of use, click I agree. Click Submit at top right.
9. Swipe to Tour App then click “Go to App”.
10. Some features such as “Challenges” will require you to validate your email. We suggest you do this now to take advantage of all the App features.
11. “Optional” You can connect a variety of activity trackers and your MYZONE belt.
