All Classes require an additional charge to membership, see your favorite trainer for details!

Tier 1 - Small Group Training - \$89plus taxper Month

Essentially Personal Training in a Group Setting, Small Group Training is intended to work all Major Muscle Groups while teaching Proper Technique and giving Personal Attention to each exercise and participant. Strength Training is at the heart of any fitness goal, and is the focus of our Program. *ThisTieralsoincludesKettlebell andBootcamp!*

Tier 2 - Kettlebell/Bootcamp -\$49 plus tax per Month

Kettlebell Class focuses on our most versatile piece of equipment. This class uses timed intervals to get your cardio, strength and conditioning all at once! BOOTCAMP IS BACK! Kick your butt with some High Intensity Circuit Training! This class will emphasize building mental fortitude while having a killer cardio focus. Both of these classes are a great way to supplement your training program! * Check App, training room or FB Group for Summer Outdoor Bootcamps.

Tier 2 - Stronger Living-\$49 plus tax perMonth

After the age of 40 we lose about 5% of our muscle mass per decade, this is the opportunity to reverse that effect. This workout is intended to maintain/increase muscle mass to maintain a healthy youthful appearance and lifestyle, while focusing on stability and endurance to not only increase your lifespan but your ability to enjoy your life! *Small Group Training does NOT include Stronger Living.

Golf Conditioning - \$225 plus tax. Members save 20% / SGT members save 30%

Members Increase drive distance and lower your chance of back injury with this golf movement specific workout program. We will focus on rotational strength and mobility needed for the swing, power and balance.
