GROUP TRAINING MEMBERSHIP

\$99 plus tax per month/ \$149 plus tax per month for Non-Members

Includes All Small Group Training, TRX Fit, Bootcamp & Kettlebell classes.

Small Group Training

In small group training our focus is teaching the importance of form, technique and program progressions through the NASM Optimum Performance Training Model. Our certified personal trainers will take you through strength training phases including stability, endurance and power movements. Our SGT classes provide you with personal attention in a group setting. Strength training is at the heart of any fitness goal, and is the focus of Small Group Training. All sessions are located in the turf room.

Kettlebell/Bootcamp

If high intensity circuit training is what you love these are the classes for you! We use versatile equipment in both classes to offer you a fun cardio conditioning class. Our Kettlebell & Botocamp classes are great to supplement with any strength training program.

TRX FIT

Using the TRX suspension trainer this 45 minute High Intensity workout designed to build muscular endurance and improve your cardio capacity. This class can be modified for all levels of fitness

STRONGER LIVING MEMBERSHIP - \$59 plus tax per month

After the age of 40 we lose about 5% of our muscle mass per decade, this is the opportunity to reverse that effect. This workout is intended to maintain/increase muscle mass to maintain a healthy youthful appearance and lifestyle, while focusing on stability and endurance to not only increase your lifespan but your ability to enjoy your life! * Small Group Training does NOT include Stronger Living.
